Sprint Retrospective:

Please answer the below questions in 1-2 sentences (use more of something really went wrong).

What went well in the previous sprint?

Everybody participated and collaborated in planning next steps for the project and working towards setting up the UI for the spreadsheet. Everyone worked on what they were assigned.

What obstacles were encountered in the previous sprint?

No issues and no blockers so far.

What can we improve in the next sprint?

Everyone attended the meeting and collaborated. Going forward we have set up meetings for coding on Thursdays, and Spring planning/review on Wednesdays.
